

MANUSCRIPT ASSESSMENT SERVICE

My manuscript assessments offer objective, professional feedback on your work, examining key components such as plot, character and structure, and suggesting areas for improvement. I provide you with a report detailing these components and suggestions; the manuscript assessment does not include a marked-up manuscript.

My prices for manuscript assessments are as follows:

Short story / Children's fiction (up to 5,000 words) \$150 AUD

Fiction: short (up to 50,000 words) \$600 AUD

Fiction: medium (up to 100,000 words) \$700 AUD

Fiction: long (up to 150,000 words) \$800 AUD

FEES FOR EDITING AND PROOFREADING

Each project varies so much, so the first step is to gather some information about your project: word count, level of edit required and time frame. I then offer clients a complimentary hour's work on their manuscript. This is for two reasons: firstly, so that you can see the quality of my work and, secondly, so that I am in a better position to offer a more accurate quote. I will calculate the quote on the approximate number of words I can edit/proofread in an hour, and this is impossible to guess without seeing a sample of the work. My hourly rate is \$50 AUD.
